## General Information

Adam Smith and Tyler Moser Quad MX school is our way of giving back to the sport. We are trying to help people become faster and all around better racers. Even if you are just a weekend warrior or an experienced racer. Everyone has something to learn from everyone. The classes are going to be held at the motoplex and the cost includes one meal ticket, a free practice at the motoplex, and a Hayden Honda Powerhouse Jersey.

### Classes

\* March 4, 5-10pm

\* More to be scheduled

### Contact Us

Adam- (260) 908-1430

Tyler- (260) 318-0336

Hayden Honda- (260) 347-0060

Motoplex- (260) 357-6759

### Cost

\$150

It is required that you deposit \$50 of that up front at the Motoplex so that we know how many people we are going to have.

## Things You Will Learn

### Turns

The different types of corners and proper techniques on setting up for a corner. Also we will work on body positioning in the corners.

### Braking

We will work with you on timing for braking in the corners and using the brakes in the air and all the other braking secrets we can think of.

### Shifting

Speed shifting and timing of shifts and also shifting in the air will be the main things that we cover here.

### Passing

Planning for a pass and how to make clean passes that work.

### Whoops

Throttle control, body position, and timing is what it is all about.

### Jumping

We will work within your limits and help you to have better control while in the air.
