Dear Customer:

PLEASE GIVE THIS PROMPT ATTENTION! PLEASE COMPLETE ALL INFORMATION AND RETURN TODAY.

Due to the large number of boats we are discounting the Winterize to \$185 before Thanksgiving. After Thanksgiving the rate is \$215, after New Years \$245. No winterizations will be performed this year without this authorized form. It's your responsibility to see that your boat is properly protected.

Please indicate any other service needed before spring so that the work can be scheduled during the winter months, as we always have a **major backlog** of service work in early spring.
